21st Century Grant Application

The 21st Century Advantage Grant Program has long been the flagship of the SEF. Our faith in and support for the classroom teacher commits us to providing opportunities for them that not only enriches their students' learning experiences but inspires them to think creatively. Retaining our great teachers by supporting their work is important to the SEF. The 21st Century Advantage Grant program supports creative and innovative projects. All materials purchased with Foundation funds stay in the district so that teachers can use them in their classrooms for years to come. SEF grants are made possible because of tax-deductible contributions.

The Allocations Committee meets in March and awards are announced by April 15 for the next academic year.

APPLICATION DUE DATE: March 1, annually

This electronic application form can be completed and saved to your computer. Complete the form and email as an attachment to: pam.mcintyre@usd305.com

APPLICANT INFORMATION:

Approved by Building Administrator

Applicant's Name

Home Address

Home Phone Number

School Name

School Phone Number
